

ŞİŞECAM GROUP PERSONAL DATA PROTECTION POLICY

Taking measures and fulfilling its obligations to protect personal data are among the fundamental principles of Şişecam Group.

In this regard, being aware of the necessity of systematic management, protection and processing of all personal data related to Şişecam Group and its stakeholders we aim at

- processing personal data in conformity with the law and good faith,
- ensuring that personal data are accurate, and if necessary, up to date;
- processing personal data for specified, explicit and legitimate purposes;
- processing personal data in relation with and limited to its purpose, and proportionately,
- storing only for the time designated by relevant legislation or necessitated by the purpose for which data are collected and
- in this context, complying with our obligations arising from the legislation.

For that purpose, we undertake;

- to ensure all the departments and employees of Şişecam Group act in accordance with the requirements of the Information Security Management System Standard as well as national and international legislation on protection of personal data,
- to determine the objectives and targets related to the compliance work on the protection of personal data within this scope, and to create the resources appropriate to the objectives and targets determined and to regularly supervise and review the said objectives and targets,
- to ensure awareness in Şişecam Group regarding processing personal data, in this context, we will work for increasing the awareness of all employees and other stakeholders regarding the developments in the related legislation.
