

TÜRKİYE ŞİŞE VE CAM FABRİKALARI A.Ş.

DISCLOSURE POLICY

General Framework

Türkiye Şişe ve Cam Fabrikaları A.Ş. (Şişecam), disclose of all kinds of financial information, other explanations and notices related to notably Capital Markets Legislation, the Turkish Commercial Code and Borsa İstanbul A.Ş. ("BİAŞ") where our shares are traded at, by favoring generally accepted financial reporting standards and corporate governance principles; within this scope, Şişecam carries out a detailed informing and public lighting policy.

The main objective of the information policy is to ensure that necessary information and disclosures beyond the scope of trade secrets are transmitted on equal terms to shareholders, investors, employees, customers and other interested third parties on time, accurately, completely, comprehensibly, easily and at the lowest cost.

Having an active approach to the adoption and implementation of corporate governance principles, Şişecam shows the maximum effort of the relevant legislation and the implementation of international best practices for public disclosure and information. Şişecam disclosure policy approved by the Board of Directors in the framework of the above-mentioned prepared and put into practice.

Authority and Responsibility

The Board of Directors prepares disclosure policy. The monitoring, supervision and development of the information and disclosure policy of Şişecam are under the authority and responsibility of the Board of Directors.

Managers responsible for financial management, reporting and investor relations department have been assigned to coordinate the disclosure function. The said authorities fulfill these responsibilities in close cooperation with the Audit Committee and the Board of Directors.

Methods, Tools Used and Works Performed Public Disclosure

Within the Capital Market Legislation, the Turkish Commercial Code and other relevant legislation framework; the following are the tools and methods used in public disclosure operations:

- At the end of each quarter, the consolidated financial reports, the footnotes and explanations related to the related financial statements prepared in accordance with the legislation published by the Capital Markets Board (CMB) and the independent audit report conducted at the end of the half year and at the end of the year, the the Board of Directors' interim report are shared with Public Disclosure Platform within the given time frame and published in the Corporate Web Site of our Company (www.sisecam.com). The relevant financial statements are presented to the approval of the Board of Directors with the opinion of the Audit Committee and are signed by the executives responsible for the financial reporting authorized by the Board of Directors.

Regarding the results of the activities announced on a quarterly basis, a public announcement is also made public about the results of the activity in the relevant period and other important issues.

The financial statements that are disclosed to the public are also translated into English and transmitted to the related parties and published on Şişecam's website. Following the disclosure of financial statements of year ends, on the date of the Ordinary General Assembly, on the press conferences held by Chairman of the Board and/or General Manager, past year performance is evaluated, and press questions are answered.

- Material disclosures that should be made within the scope of the CMB legislation are transmitted to the KAP via electronic medium within the given time frame. Material disclosures are in principle signed by persons who are responsible for financial reporting, have a "qualified electronic certificate", and are presented to the relevant authorities. People who are responsible for making material disclosures are determined from the representatives and competent authorities of the Company. In addition, the statements sent to the KAP in the electronic environment will also be published on the Company Corporate Website at the latest business day after the announcement of the public announcement.
- Announcements are made through the KAP, Trade Registry Gazette in cases such as amendments to the Articles of Association, General Assembly meetings, and capital increase. In addition, Turkish and English texts are published on the company's website.
- The Annual Report which is prepared in Turkish, with the necessary information and explanations before the General Assembly meeting, is published in the Company's Corporate Website for the shareholders' review and the printed version of the relevant report can be obtained from the Şişecam Shareholders Relations Unit. In addition, annual activity reports are translated into English as soon as possible following general meetings and published in our website.
- When necessary, press explanations are made through written and visual media. Written and visual media releases made by the authorities.
- When necessary, teleconferences provide information to shareholders and other interested parties. Related teleconferences are coordinated by the Investor Relations Department.
- Through investor meetings and investor visits (road - show) held domestically and abroad, information is provided to shareholders and other related parties. The General Manager, the managers responsible for financial management and reporting, and the managers of the Investor Relations Department participate in the meetings and visits carried out by the Investor Relations Department. In necessary cases, the contact teams can be further expanded.
- Promotional and informative meetings held with investors and presentations, reports presented at press conferences are included in the "Investor Relations" section of our Company's Corporate Web Site in order to ensure that all market participants have simultaneous and equal information.
- Related information, especially financial tables, are shared with shareholders and the companies that organize the research report about our company by the e-mail when it is requested.

Investor Relations Department

In order to fulfill the obligations arising from the CMB legislation in accordance with the rules set forth in the legislation and to maintain its activities more effectively, a central understanding and an appropriate structure have been adopted in our Group. Measures Taken for the Confidentiality of Information until Public Reveal of Material Disclosures

In order to ensure confidentiality until the public disclosure of special cases, Şişecam employees who have access to internal information are thoroughly informed about the responsibilities arising from the relevant legislation and on what conditions and under what circumstances and by whom the information will be disclosed to the public. Confidentiality is included in the agreements made with persons and institutions that may have access to internal information due to the provision of certain services to Şişecam. Furthermore, in order to prevent unauthorized disclosures related to the results of activities, information is not exchanged with capital market participants about the results of activities and other issues that have not been publicly announced in certain periods of the calendar year. This period is considered as "silent period". During the Silent Period, company responsables do not give an opinion about the financial status of the company, except for information disclosed to the public on behalf of the company. Questions about the financial situation of capital market participants such as analysts and investors are not answered. In the Quiet Period, responsible who make public disclosure and who work in Investor Relations Department, is not restricted to participate in speeches, conferences, panels and similar events; to have interviews to the written and visual media the investor meetings; to participate in investor meeting on condition that they observe the rules of confidentiality of internal information. The Silent Period starts from the first day of the month following the six-month interim and the month after the annual accounting period ends and continues until the financial statements are disclosed to the public.

News and Rumors in the Press

Follow-up and monitoring of news and rumors about Şişecam and its affiliates in the media or websites are performed through a professional media follow-up agency. In case of necessity of disclosure within the scope of the legislation related to public disclosure of special cases, an explanation is made about the issue by compiling the necessary information from the related units.

The method and content of the announcement of news and rumors that cited in the press release but which do not give rise to the obligation to disclose are determined by taking into account: such factors as the nature of the news, the extent of the mass received by the media, and the fact whether it affects the reputation of the news company. In cases where such announcements are made regarding such news and rumors, if the disclosure content contains an element that necessitates public disclosure, a special case disclosure is made in line with the relevant legislative provisions.

In the presence of news or rumors in different contexts compared to explanations, circulars, announcements approved by the Capital Markets Board, financial reports and other information disclosed to public via Public Disclosure Platform, which may affect investing decision of the investors and the value of the capital market tools, Şişecam make announcement and explain whether this information shared is correct and sufficient. However, Şişecam do not express any opinion on comments, analyzes, evaluations and estimations made about the Company based on the information disclosed to the public.

Criteria Used in Determining Administrative Responsibility

In determining people with administrative responsibilities, the duties of the persons in the Company organization and their information access are taken as a criterion.

In this context not only Members of the Board of Directors and Auditors, General Manager, Presidents, Corporate Governance and Compliance Coordinator, Chief Legal Counsel, Vice President, who have detailed information on future plans in addition to the current situation of Şişecam, but also Şişecam's finance department managers who have access to information on Şişecam and are authorized to make administrative decisions that can affect financial reports, strategic targets and similar elements at macro level these persons were identified as persons with administrative responsibility and regular access to internal information. According to this, people who have not knowledge which can influence the value of the capital market instrument and the investment decisions of the investors, in other words, people who have information about only a part of the Company and managers and other employees who have limited knowledge about whole Company are not considered within the scope of the person who has administrative responsibility and has access to internal information.
